

Band Information
6th Grade & High School Band

I wanted to give you some information during our time out of school.

Candy Sales—Please bring your money that you have for candy sales next Wednesday when you pick up your materials. Please put your money in an envelope with your name and the amount on it. Also, if you would, please add your address on the envelope as well. We will send you a receipt since we will not be able to count it while you are there. Remember, you are still responsible for your candy bars. I will not take any back. BTW, not sure where or how you would sell them, but I have three extra boxes that I need to sell. If you have a way to sell them, let me know.

Instruments/Music—**All Applied Music students must get their horns next Wednesday.** You will need it for our distance learning for applied music. Everyone else, if you want your instrument, please let me know before Wednesday. I will have your instrument and music (if I can find your music) and set aside for you. If you do not let me know ahead of time, I may not be able to get it for you.

I will set up outside the band hall to give you your instruments and take your candy money. Since administration doesn't want you to get out of your vehicle, pick up your supplies and then drive to the band hall.

Final thoughts—First of all, we really miss you guys! We would much rather be at school than hanging around the house all day. Second, contest has not been cancelled, but postponed. However, I think that will change. We'll just have to wait and see. Next, we will all get through this! Whenever we do get to go back to school, we will be better and stronger because of it and may even look forward to going to school every day! One thing's for sure, you will never forget your 2019-2020 school year!!!
