April 16, 2018

Beginning on April 16, 2018 an asbestos and mold remediation company will remove mold damaged material along with asbestos in the Union Hill ISD Administration Building. This removal will take about 5 days. The removal will be contained to that building only, and a safe dust and debris environment will be established for that area. There is no danger to students, staff and community during this time. If you have any questions please feel free to contact Dr. Troy Batts, Superintendent if you have any questions or concerns.

Sincerely,

Dr. Troy Batts  
Superintendent  
Union Hill ISD
