

## **AVAILABLE MEALS**

Union Hill will provide meals to those students that have chosen to do remote learning.

The meals will be available for “pick-up” on Monday’s from 10:00 a.m. - 10:30 a.m., outside on the cafeteria dock, located next to the Administration building. It will be similar to the “grab n go” meals that were distributed in the Spring.

This will consist of: Breakfast and lunch for each school day (5-breakfast & 5-lunches).

Meals are no longer automatically free for all as in the Spring and Summer. Meals will be free, reduced-price and paid based on the student’s eligibility at the Middle School and High School. All students attending the Elementary School will eat at no charge due to the Community Eligibility Provision.
